

## Shallow Aqua Dump

PSS-004-Aqua\_Shallow-01

**Our expanded line of waterers now include a new Shallow Aqua Dump.** This industry-leading product comes with the same easy-to-dump system found in our standard Aqua Dumps.

How is it unique? The name says it all. The Shallow Aqua Dump holds less water, which makes it more economical to dump, clean, and refill.

Worried about running out of water? Don't be. VES-Artex Aqua Dumps are fast to refill, so they can keep up with your thirsty heard.
