

12", 20", 24" & 36" Basket Fans

PSS-052-Basket_Fan-01

HIGH VELOCITY ENERGY EFFICIENT

Our high velocity Basket Fans are one of the most powerful and efficient basket fans available on the market today. Designed for the harshest agricultural environments, these fans provide optimum performance, maximum air velocity and distance coverage.

BENEFITS

- OSHA compliant - these fans can be mounted at any height
- VES-Artex Basket Fans have industry leading fan efficiency with up to 30 CFM/Watt
- These fans have silicon steel rotors that have been well balanced to reduce noise vibration and prolong the fan's life

FEATURES

- Constructed with high-grade steel
- Bearing specifications -40° to 140° C
- Fully enclosed, maintenance-free motors
- Standard OSHA safety guards on intake and exhaust
- Zinc plated and powder coated for corrosion-resistance
- Wall and ceiling mounts pivot 180° and fan can turn 360°
- Extended lifespan with a capacitor rating of 450cac, 10,000

OPTIONS

- 12" or 20"-36" hanging brackets
- Open style guard

WARRANTY

- 2-year warranty on motor
- 1-year limited warranty on all other parts
